1 Introduction

The purpose of the National Committee on Foreign Medical Education and Accreditation (NCFMEA) is to review the standards used by foreign countries to accredit medical schools and determine whether those standards are comparable to standards used to accredit medical schools in the United States. The NCFMEA does not review or accredit individual foreign medical schools. The NCFMEA only reviews the standards that a foreign country uses to accredit its medical schools. The request by a foreign country for review by the NCFMEA is voluntary.

When a country contacts the U.S. Department of Education (Department) and asks to have its accreditation standards reviewed, the Department requests that the country answer questions regarding its accreditation standards and processes and also provide supporting documents (e.g., copies of statute and regulations, standards, etc.). The questions are designed to solicit information pertinent to the NCFMEA Guidelines for Determinations of Comparability.

Additional information concerning NCFMEA applications is available in the NCFMEA Guidelines.

2 Access and Login

Prior to accessing the system, in preparation for using the online submission process, you should:

- Review the questions in the Guidelines and consider your response to each.

- Have English translations of the documents that you wish to upload to support your responses to the questions available. We encourage you to separate large files into smaller ones, so they will upload more quickly. The files uploaded are limited to a size of 37 MB.

- **All supporting documents must be in Adobe PDF (.pdf extension) files.**

- Be prepared to verify your country’s contact information and to update it, if necessary.

For security reasons, the system requires that you change the password the first time you access the site. Please note the new password you select, as it will be required for future access to the site.

If you need help while using the system, you can click the ‘Contact the Help Desk’ link to contact the help desk.

2.1 Accessing the System

To access the system, enter the URL https://surveys.ope.ed.gov/erecognition in the address box of the browser. The Login screen will display. Click the Login button, a security warning message will display. Click on the OK button to confirm that you have read the contents of the Warning Page. Enter your User ID and Password and click the Login button to log in to the system. All login attempts are logged. If you have three unsuccessful login attempts, your account will be locked. You will then need to contact the Help Desk to have your account unlocked. A link to the Contact the Help Desk is located on the Login page.
2.2  Forgot Password

If you forget your password, you can click the 'Forgot Password?' link and enter your email. The system will confirm your identity and email your password to you. After three failed login attempts, you will be locked out of the system and will need to contact the Help Desk to have your account unlocked.

2.3  Login Confirmation

After you log into the system, the Agency Confirmation screen will display. Select the meeting date from the dropdown and click the Continue button.
3 Enter Your Application

3.1 Instructions Screen

After you select the meeting date on the Agency Confirmation screen, the Instructions screen will display. The process of entering your application has been divided into four steps. Each step may be accessed by either clicking on the corresponding link at the top of each page or on the Instructions screen.

The following links appear in the blue box on the left side of the screen. When you click a link, the requested page will display in a new browser window.

- **OPE ED Home** – Displays the Office of Postsecondary Education (OPE) home page on the ed.gov web site.
- **NCFMEA Home Page** – Displays the NCFMEA home page on the ed.gov web site.
- **NCFMEA Guidelines** – Displays the NCFMEA Guidelines for requesting a comparability determination in PDF format.
- **User Guide** – Displays this document.

The following sections explain each of the screens which you can access from the Instructions screen.

3.2 Step 1 - Contact Information

Step 1 allows you to review and update your contact information. Department staff will use this information to contact your country regarding your submission.
• Verify that the Department has current contact information.

• All fields marked with a red * are required.

• Enter any necessary changes and click the Save button.

• A confirmation email will be sent to the Point of Contact email address on this screen when you submit your application.

3.3 Step 2 – Respond to Questions

• Enter your responses to the questions in English in the text boxes and click the “Save” button after you have finished. Please enter plain text only in the text boxes. Do not use formatting features, such as tables, bold, or underlining. The text box provided for each response may accommodate a maximum of 10,000 characters. A counter is located on the left-hand corner below each text box that tracks the number of characters remaining. A spell checker has been built into the text boxes for your convenience. You will have the option to change or ignore any spelling errors.

Be sure to reference each supporting document’s name, page number, and paragraph number within the narrative response and explain what point(s) the document supports. Name each supporting document in two parts: in sequential order and using a name that describes the document, e.g., Exhibit 1 – Policy and Procedure Manual. We suggest that you keep a running list of the supporting documents you plan to upload on a scratch paper as you enter the responses to help manage them and prepare for Step 3, which allows you to upload supporting documents referenced in your narrative.
You must click the **Save** button on each page to save your responses. You are not required to answer all of the questions on the page before you save your responses. You may return to any of the pages in Step 2 and edit the answers you have given.
• For Determination and Redeterminations, the screens in Step 2 have been divided into four parts to correspond with the Guidelines. Each part has a separate screen for each section. There is a separate textbox for each question.

• For Reports, there is a separate textbox for each item requested.

• Click on a Part link in the blue box in the upper left corner of the screen to access the questions in that part. Click on a Section number link in the upper right corner of the screen to access the questions in that section.

• Text boxes for responses are limited to 10,000 characters and spaces. A counter is provided to track the number of characters remaining.

• A spell checker has been built into the text boxes for your convenience. You will have the option to change or ignore any spelling errors.

• English translations of documents in PDF format which you reference in your answers must be uploaded as part of your application. You will do this on the Step 3 screen (see the next section.)

3.4 Step 3 – Upload Supporting Documentation

You may upload as many documents as you wish to support the answers to the questions you entered in Step 2. You must provide English translations of all documents. All documents uploaded must be Adobe PDF format. Name each supporting document in two parts: in sequential order and using a name that describes the document, e.g., Exhibit 1 – Policy and Procedure Manual. Each document should only be uploaded once. A document can link to more than one question.
